Who are we?

NURSERY, TREE AND PLANT SUPPLY

Thai Vendors offers a variety of premium quality trees to contractors seeking to create unique landscapes.

With our own nurseries, a developed nursery in Thailand and an extensive range of approved and authorized growers in Thailand and China, we can only provide the quality, knowledge and service of Thai Vendors.

*Your sustainable partner for
exporting quality trees*

Products & Services

We can supply an extensive range of plants and trees from our nurseries and authorized suppliers including but not limited to:

Native and indigenous trees
Export quality specimen species
Palms
Tropical Plants
Groundcovers

We are also experts in tree relocation and tree harvesting, removing mature trees from a site for holding in a temporary nursery before being relocated on a project site.

These services include tree harvesting, rootball boxing and balled and burlapped, tree spade, arboreal works and plant nursery design and build.

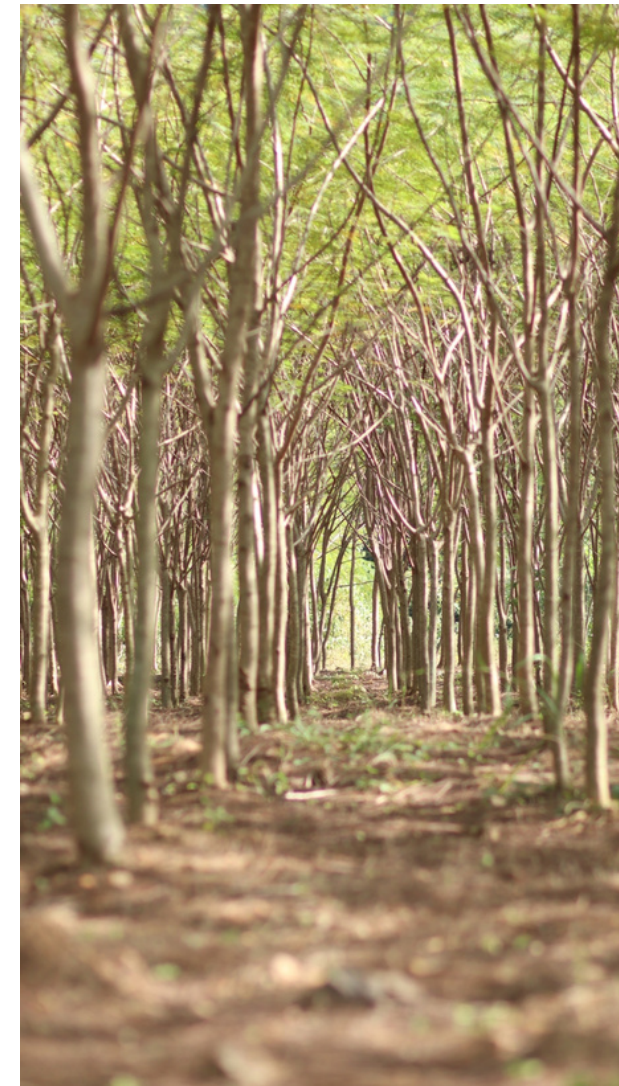

Why us?

1. Fast-track shipments to the GCC.
2. Premium selection of ornamental trees and exotic plants.
3. Rare and special varieties of trees that are adaptable to the desert climate.
4. Reliable by providing plant certificates for your peace of mind.

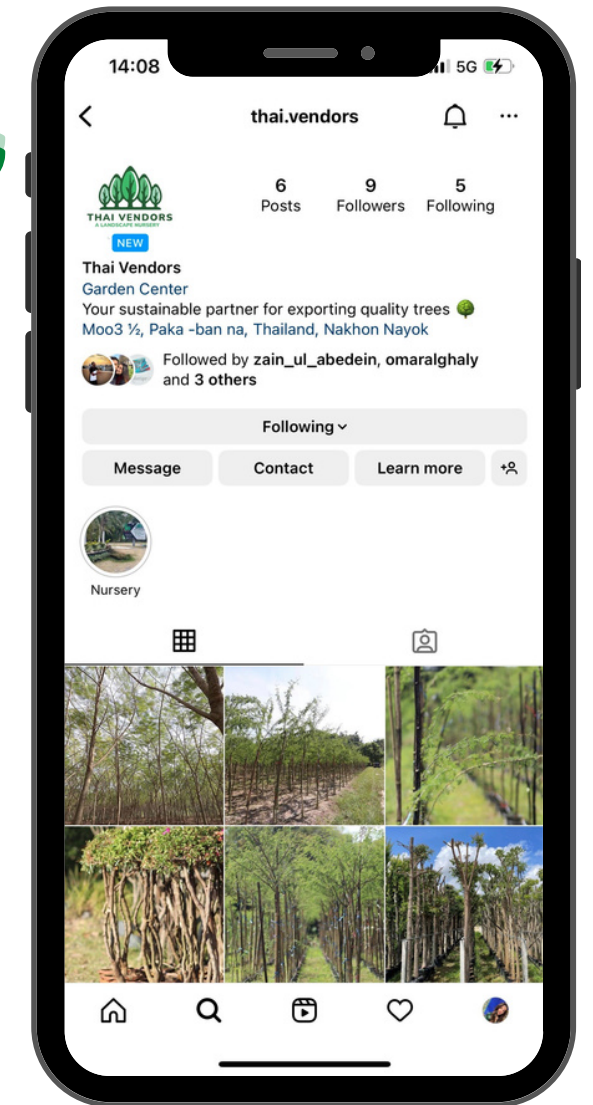

*Wide range of species, varieties,
and sizes to meet all needs!*

Handling & Export

Our team on site are experts in handling with your pre-selected trees, gradually preparing the acclimatation process to later load them into specific containers shipped straight to your destination.

We guarantee smooth and fast-track transport to the GCC area.
